CLINICAL COMMISSIONING GROUP
and
NHS NORTH DURHAM CLINICAL COMMISSIONING GROUP**

Meetings to be held in Public

Durham Dales, Easington and Sedgefield (DDES) CCG and North Durham CCG are working increasingly closely together. The two CCGs work in partnership with the same main providers of health services and together cover the same geographical area as Durham County Council. With that in mind the two Governing Bodies have agreed to meet 'in common' wherever possible and will continue to rotate and alternate venues across both CCGs.

Two meetings will be held in public on:

Tuesday 16th January 2018 at:
Durham County Cricket Club (Emirates Riverside), Park Road, Riverside,
Chester Le Street DH3 3QR
(Please note – change of venue to that previously advertised)

Primary Care Commissioning (PCC) Committees in Common
12.15 – 1.30pm

Governing Bodies in Common
1.45pm – 3.15pm

Each Clinical Commissioning Group wishes to invite the public to observe their PCC Committee and Governing Body at work.

In order to ensure that appropriate seating is provided, please register your attendance (informing of any special requirements) with Mags Wells on 0191 371 3224 or email: Margaret.wells1@nhs.net.

Questions for the Governing Bodies in Common should be submitted to Mags Wells no later than 12 noon on Monday 8th January 2018. Meeting agendas and papers will be available prior to the meeting online at both: www.durhamdaleseasingtonedsedgefieldccg.nhs.uk and www.northdurhamccg.nhs.uk
